Issue	Discussion	Action
Welcome & Introductions	The meeting was called to order at 1:00 p.m.	
Overview of Child Care Plan Recommendations	Committee members were provided a copy of the recommendations out of the 2003-2007 Child Care Plan for discussion and review, and to use as a guide in addressing policy issues.	No Action Required
Submitting policy and legislative recommendations to Boards of Education and Supervisors	Leslie McFadden, Sacramento County Legislative Advocate was unable to attend to speak to the Committee on how the Council may submit policy and legislative recommendations to the Board of Education.	
Review County Legislative Policies Summary	Marge Tomczak clarified for the committee that the Legislative Policy Platform adopted by the Sacramento County Board of Supervisors is a document that changes little from year to year, but one that all Board appointed Councils and Boards should review and to which, make policy recommendations for additions, deletions or changes. If there is legislation any of the appointed bodies feels should be supported by the Supervisors and introduced to the legislature, it is through the review process of the Legislative Policy platform that legislation should be initiated.	
Review 2005-06 Legislation	The committee discussed the new Regional Market Rates, specifically regarding the cuts to school age subsidies. Staff is to research the history of the new rates, and what, if any, actions were or can be taken to recommend changes. (Copy of response attached) The next committee meeting will be October 25, 2006 at 1:00 p.m. at the Child Action, Inc. offices at 9961Horn Road. The meeting adjourned at 2:00 p.m.
