“Promoting Excellence in Child Care”

Action Item #1: Funding Priorities Process

The Local Planning Council is charged with submitting annual funding priorities to the CDE each year on or before May 30. Management Bulletin 09-05 describes the process to be used to determine the priority for funding. The Local Child Care and Development Council adopted a methodology, selecting Option 1, which used census data and CDE enrollment data to determine unmet need.

The funding priorities were included in the 2007/12 Local Child Care Plan as Appendices.

Option 1: The required census data at the zip code level is not available for the 2010 Census.

Option 2: CEL data is current and available.

Discussion:

Does the Data Committee want to include the priorities in the Five Year Plan as they did in 2007?

Does the Data Committee want to select Option 2, using CEL data for 2012?

Attached:

Instructions from Management Bulletin 09-05 for determination of local funding priorities.
