

2005 Program of the Year

Beanstalk – Ridgepoint Latchkey Program

accepted by program teachers

Carol Svanda, Dee Thomas and Lupe Morales

Staff longevity is at the heart of the success of Ridgepoint's Latchkey Program which has provided care and support to the community and its children for over 18 years. Each day, the teachers greet the children with cheerful smiles, and the children, in turn, are eager to share what they learn each day.
