

2005 Family Child Care Provider of the Year

Mary Anne O'Shaughnessy

"A child may forget what you say but a child will never forget how you made him or her feel." These words inspire Mary Anne O'Shaughnessy. She has a passion for children and firmly believes children need to have support and love for who they are about to become. In June of 2003, Mary's Little Lambs Family Childcare Program was accredited by the National Association of Family Childcare for providing the highest quality care to young children.
